Darius Zakaitis

Darius serves as a Venture Partner at Contrarian Ventures and has 27 years of experience in managing businesses. He is also the founder and the CEO of Tech Zity, one of the largest ICT hubs in the region, including Vilnius Tech Park.

Prior to joining Contrarian, Darius served on various management boards and co-founded several businesses including Startup Highway, one of the first startup accelerators and early-stage investors in Lithuania.

Darius is also the founder of Rupert, an independent centre of art, co-working and education with a mission to establish close cooperation between artists, thinkers, researchers and other cultural actors. Darius has graduated from Vilnius University with a BSc in Finance and Economics.
