

Zilvinas Giedraitis

Zilvinas is an Investment Analyst at Contrarian Ventures. Prior to joining the firm, he was a part of Cass M&A and PE society as a Financial Analyst, in parallel serving in a few part-time roles in the Hospitality industry throughout the University.

Zilvinas spent a few years in the United Kingdom where he earned first class honours in BSc Business Studies with Finance from Cass Business School, City University of London.

He was also a co-founder of a half-marathon charity event to fundraise for children with diabetes which gathered more than 200 runners annually. He also has participated in the Food Bank charity organisation numerous times.
