

Robina von Stein

Robina is an Investor at Contrarian Ventures currently responsible for the DACH region. Before Contrarian Ventures, she co-founded the climate tech startup RE-NT - a SaaS solution for textile companies to measure and reduce their CO2 footprint by integrating rental and resale channels. She is also a member of the Green Tech Alliance and a mentor of the non-profit organization Founderland which supports unrepresented female founders.

Robina holds a Master's degree in Politics, Economics, and Philosophy from the University of Zurich, a B.Sc. in Economics from Maastricht University, and completed exchange semesters in Montreal and Cambridge. She recently graduated from the summer course Energy Markets & Climate Change at HEC Paris.
