

## **Patrikas Feiferas**

Patrikas Feiferas is an Investment Associate at Contrarian Ventures - hands-on, community-focused and founders-vetted European early-stage VC firm committed to net-zero.

Prior to joining Contrarian Ventures, he spent a few years living in China, Singapore and Taiwan. He is also a certified fluent everyday Chinese speaker. Patrikas graduated with a BSc in Finance from ISM University of Management and Economics as well as built his network globally during his university exchange in Singapore Management University and Shantou University.

Throughout his studies in Singapore, he participated in organizing the first-ever country-wide survey raising awareness on Alzheimer disease. Previously, he worked at one of the largest renewable energy infrastructure developers and mobility services provider in the Baltics Modus Group.
